<p>25X1A 25X1C</p> <p>1. In a conversation with the [REDACTED] architect on 21 January it developed that the new [REDACTED] building will probably be designed to afford the [REDACTED] The roof firewall will be only some 3' high, so there will be no visual concealment for antenna posts as had been hoped.</p> <p>2. Problems of routine and emergency burning of classified waste were gone into with the architect, who promised to discuss them further with [REDACTED] 25X1A and [REDACTED] Security.</p> <p>3. Of the 3,190 square feet now allotted [REDACTED] the architect 25X1A was told that an air-conditioned [REDACTED] working area of 500-700 square feet would have to be arranged. The special wall construction requirements were explained and a heavy duty circuit for the area requested.</p> <p>4. It is understood that the architect will be planning on the basis of the [REDACTED] assumption of 150 square feet of working space per person.</p> <p>5. If Headquarters desires the Station to occupy the top floor of the new building it is suggested that the matter be taken up with [REDACTED] at an early 25X1A date as the architect has returned to [REDACTED] to begin drafting preliminary sketches.</p> <p>25X1A 25X1A [REDACTED]</p> <p>22 January 1960</p> <p>Distribution: 3 - Chief WH 1 - Chief, [REDACTED] 25X1A 2 - Files</p> <p>WCT/pcy</p> <p>25X1A has drawings now in preparation.
